Good morning Mr Richards.

Could councillors Dell Morgan and Simon Knoyle please confirm if planning application P2021/0546 is awaiting a decision.

It is my understanding that this land is possibly being developed without the proper conditions ( No Human health and safety report submitted)

If this is not the case, my apologies, but please could both councillors provide information to the rest of the council members, so we can answer the many questions surrounding this application.

Thanks Jennifer.
