Subject: COVID-19

Dear Councillor Jones,

I refer to your recent communication titled "Important message from the leader of the Council" reference COVID-19 and how NPTC are "adapting and reacting to the challenges on a daily and hourly basis.

Would you care to comment on the actions of your planning department who have suggested that the elderly use social media to connect with each other about a planning application that is about to be decided before the end of the corona virus outbreak?

Does the councillor believe that the elderly should adapt and react to COVID-19 in a similar manner to the council while self-isolated as per the UK Government guidelines?

I have forwarded an email exchange between myself and the planning department of NPTC for further information about this subject. - regards - Dai Richards - www.dai-richards.wales
