Dear leader - I refer to the purpose and following value of your council:

Neath Port Talbot County Borough Council exists to serve and represent the interests of its citizens and communities. We strive to improve the economic, social, environmental and cultural well-being of all of our people.

We will listen to our citizens, our workforce and our many partners and seek ways to meaningfully involve people in our work.

Would you care to comment on the following facebook post which identifies that your council is corrupt and is covering up corruption through the censorship of a publicly owned you-tube channel:

You are personally orchestrating the cover up by your refusal to apprehend corrupt planning department officials. Don't point me to government investigation bodies. Your wasting your time.

NEATH PORT TALBOT COUNCIL CORRUPTION

The Neath Port Talbot Council have turned off the comments on their You-tube channel video that shows the planning committee meeting about the Enzo Development in Glynneath. They have done this because my comments provide evidence of the planning department manager lying to the planning committee and a link to a document referenced in the meeting that shows the council have breached the Environmental Protection Act thereby placing the lives of the people of Glynneath in danger. I think we must live in the corrupt council in Wales.

The you-tube channel is a public channel owned by the people of Neath-Port Talbot for the people of Neath-Port Talbot. This is censorship / blocking of public information and a restriction of our freedom of expression. If my comment is considered defamatory by the council the can take legal action against me. Please support me in freeing this information by emailing the council leader at leader@npt.gov.uk or the normal council email address at contactus@npt.gov.uk Let's make these councillors and council employees accountable for their corrupt actions.

The images include show one with the comments turned off (today) and one a day or so after the video was posted with my comment

PLEASE SHARE THIS INFORMATION - PLEASE JOIN THE PEOPLE OF EAST GLYNNEATH WHO HAVE BEEN FIGHTING THIS CORRUPTION FOR THE LAST 6 MONTHS
