Freedom of Information request to Public Health Wales

FOI Reference: **FOI 922**

Date request received **11/04/2022**

Date information is due to be sent **13/05/2022**

Information Requested:

Am I to assume that there has not been a meeting between Councillor Knoyle and a Public Health Official and that Public Health Wales has no intention in producing a report in relation to the Heol y Glyn site. It is important to establish the true nature of his relationship with PHW

Information provided for the answer:

Thank you for your recent request dated 11th April 2022.

We can confirm that Cllr Knoyle contacted PHW and our Environmental Public Health Service via the routine routes through which we receive and process such queries. Our report on the Heol Glyn site was issued simultaneously to both yourself and Cllr Knoyle in our response to your previous FOI request. I have attached it again for your convenience.
