Dear Councillor Hunt, I refer to your request in last night's 'Let's Talk' meeting to provide you, the chief executive (please check email address is correct) and the head of planning with information about the failure of the NPT planning website to show information in relation to planning objections. I attach two screenshots of the following planning application which for almost 3 years have failed to display this information.

P2020/0195

P2020/0863

I would be grateful if this information could be uploaded and would appreciate a notification from the council when this task is completed.
